Profile

Software Engineer with 4+ years of experience delivering thoughtful, scalable solutions. Quick to learn new tools and technologies, with a focus on choosing the right solution for each challenge—not just the familiar one.

Work History

07/2023 – present
Remote

IT Specialist
Department Of Labor

- Engineered custom project reports and dashboards using Power BI and PowerApps, integrating data from 60+ enterprise projects to ensure 100% accurate tracking of milestones and priorities; enhanced decision-making for Agile teams.
- Monitored performance metrics across 15+ concurrent initiatives via ServiceNow and OnePager; identified 95% of cost and schedule variances within 48 hours, enabling rapid issue resolution.
- Evaluated and optimized project data submission workflows, identifying process inefficiencies and recommending three improvements that reduced submission errors by 30%.
- Designed and deployed an internal IT support request system leveraging PowerApps and ServiceNow, streamlining ticket workflows and improving response times by 30%, which boosted team productivity and user satisfaction.
- Led team training sessions on Jira, Power BI, and reporting best practices, reducing reporting time by 40% and improving operational efficiency across multiple teams.

01/2023 – 07/2023
Leander, TX

Freelance Web Project
Du-bee Herbs, LLC.

- Developed and launched a full-stack e-commerce website for an Austin-based herbal retailer, doubling online sales and increasing total revenue by 10% within the first three months.
- Diagnosed and resolved 95% of technical issues within 24 hours, reducing system downtime by 30% and improving overall site reliability.
- Provided proactive maintenance and technical support, identifying and addressing issues before escalation to ensure a seamless and uninterrupted customer experience.

07/2023 – 01/2024
Austin, TX

Freelance Web Project
Endo Of Austin

- Engineered a custom Shopify e-commerce site for a local Austin retailer, delivering a fully responsive, user-friendly design that increased customer engagement and online visibility.
- Utilized Liquid, custom Shopify themes, and front-end code to build a high-converting storefront aligned with brand identity and tailored to client specifications.
- Optimized site performance for speed, SEO, and mobile, resulting in improved search rankings and a 25% increase in conversion rates.

01/2019 – 10/2022
Norfolk, Virginia

First Line Supervisor
United States Navy

- Led and trained 500 personnel in infrastructure and inventory systems, driving a 34% profit increase, 40% reduction in inventory loss, and improved policy adherence across the organization.
- Utilized custom-made tools and inventory best practices to monitor resource levels, manage attendance, and streamline procurement, resulting in top-tier inspection outcomes per Navy and local directives.

Work History

- Redesigned inventory management system architecture, implementing security controls and access restrictions aligned with best practices, resulting in a secured environment.

10/2018 – 09/2019
Norfolk, United States

Air Traffic Control Specialist
United States Navy

- Ensure the safe, orderly, and expeditious movement of 540 aircraft operations in the vicinity of the amphibious ship, particularly during launch and recovery operations involving helicopters, MV-22 Ospreys, and sometimes fixed-wing STOVL aircraft like the F-35B
- Directed and managed air traffic for rotary-wing and tilt-rotor aircraft aboard a U.S. Navy amphibious assault ship, ensuring safe launch, recovery, and in-flight operations in high-tempo environments.
- Coordinated closely with Primary Flight Control, Combat Information Center, and Tactical Air Control Center to manage controlled airspace and support amphibious assault missions.

11/2014 – 10/2018
Lakehurst, United States

Tower Chief
United States Navy

- Responsible for the safe execution of over 67,000 flight operations, 42 professional qualifications, and 19 supervisory designations.
- Led 23 personnel division during 2017 Naval Air Training and Operating Procedures Standardization (NATOPS) evaluation. Performed administrative reviews and procedural rewrites of three major publications. Awarded: Navy Achievement Medal.
- Dedicated over 1,000 hours of volunteer service for Lakehurst community. Awarded: Military Outstanding Volunteer Service Medal (MOVSM).

Education

01/2024 – present
Salt Lake City, United States

Software Engineering | Bachelor of Science
Western Governors University

Estimated Graduation: August 2025

01/2023 – 05/2023
Chicago, United States

Full-Stack Web Development
Code Platoon – Immersive Full-Stack Web Development Bootcamp

Completed a 14-week, full-time, intensive program focused on modern web development. Gained hands-on experience building full-stack applications using JavaScript, Python, React, Node.js, PostgreSQL, and Django. Emphasized test-driven development, agile methodologies, version control (Git), and collaborative coding in a professional, military veteran-supportive environment.

01/2015 – 01/2017
Daytona, FL

Aeronautics | Associate of Science
Embry-Riddle Aeronautics University

08/2003 – 05/2007
Austin, United States

Diploma
McNeil HIgh School

Skills

– PROGRAMMING LANGUAGES

Javascript (ES6+) / TS | Python | Java | SQL

– LIBRARIES & FRAMEWORKS

Volunteering

01/2024 – present
Austin, United States

Backend Developer
Gateway Church - North Campus

- Integrated custom backend workflows with Ministry Platform APIs to automate common administrative tasks (e.g., event registrations, volunteer sign-ups).
- Built and maintained scheduled scripts in SQL to sync or clean up data between church systems and Ministry Platform.
- Created custom reports and dashboards for church staff by querying Ministry Platform's SQL Server database, optimizing for speed and accuracy.

10/2024 – present
Austin, United States

Teacher
Gateway Church - North Campus

- Prepare and teach age-appropriate Bible lessons to children (2nd-5th grade), using storytelling, visuals, and hands-on activities, with the focus on a weekly theme to make key biblical concepts engaging and memorable.

05/2015 – 10/2018
Lakehurst, United States

Community Support Assistant
Multiple Locations/Events

Over 1,000 Hours of Service
Award: Military Outstanding Volunteer Service Medal (MOVSM)

- Dedicated over 1,000 hours of volunteer service to the community of Lakehurst, NJ during active military duty, supporting local schools, churches, and community events.
- Contributed to youth mentorship programs, facility clean-ups, charity drives, and outreach initiatives that strengthened community-military relations.

Hobbies

Bass fishing

Reading (technical & non-technical)

Music production & performance

Painting (Oil & Acrylic)

Strengths

- Rapidly learn and adapt to new technologies, methodologies, and practices in high-stakes environments
- Effective communicator with experience working across cross-functional teams including QA, product owners, and business stakeholders
- Skilled in translating complex business requirements into clean, maintainable code and intuitive user experiences
- Detail-oriented with a focus on accessibility, responsive design, and performance optimization

Awards

07/2017

Navy and Marine Corps Achievement Medal
Department of Navy

- Successfully led an Air Traffic Control tower team through a rigorous 150-point compliance inspection with zero discrepancies identified during the 2017 Naval Air Training and Operating Procedures Standardization (NATOPS) evaluation.
- Personally recognized by senior leadership for exceptional technical expertise, quality assurance, and team leadership under high-stakes regulatory review.
- Demonstrated a commitment to operational excellence and compliance that directly contributed to mission readiness and safety—hallmarks of high-performing aviation operations in both military and civilian sectors.

08/2018

Navy and Marine Corps Achievement Medal
Department of Navy

- Led and mentored a team of 22 personnel in the safe execution of **5**0,980 mishap-free flight operations, resulting in 50 professional qualifications, 9 supervisory certifications, and 33 On-the-Job Training (OJT) instructor designations.
- Served as Airfield Vehicle Operator Course (AVOC) Program Manager, ensuring full regulatory compliance by reviewing and approving **260** airfield driving licenses in alignment with Naval Air Training and Operating Procedures (NATOPS) standards.
- Recognized for outstanding leadership, technical knowledge, and risk management, consistently maintaining safety, readiness, and regulatory compliance in a high-tempo aviation environment.

08/2017

Flag Letter of Commendation (FLOC)
Commander, Navy Region Mid-Atlantic

Recognized as Bluejacket of the Year for FY2015 for exemplary performance in high-responsibility roles.

- Managed 9,060 safe flight operations and oversaw 32 personnel certifications in air traffic control functions.
- Hand-selected as Facility Watch Supervisor and Airfield Vehicle Operator Course (AVOC) Manager. Instructed and certified 75 personnel across eight courses with zero safety incidents.
- Demonstrated exceptional leadership, instructional ability, and operational precision in a fast-paced aviation environment, contributing to both mission readiness and safety.

09/2018

Military Outstanding Volunteer Service Medal (MOVSM)
Department of Navy

Recognized for embodying the Navy's "service before self" ethos and making a measurable impact on the well-being of local communities and military families.

- Dedicated over 737 volunteer hours across multiple community service initiatives, including

Awards

work with Anvil Farms, the Joint Base Lakehurst Child Development Center (CDC), and the Navy-Marine Corps Relief Society.

- Donated 627 off-duty hours providing manual labor and agricultural support at Anvil Farms to grow, harvest, and distribute 100% organic produce to underserved local communities.
- Led a CDC restoration project, contributing 25 hours to child safety through hands-on facility improvements—rust removal, painting, and compliance preparation—resulting in 100% safety compliance.
- Served as a case worker for the Navy-Marine Corps Relief Society, dedicating 85 hours to directly assist active duty and retired military personnel and their families with emergency financial aid and support services.

Achievements

FY-15 Blue Jacket of the Year
FY-15 3rd Quarter Blue Jacket of the Quarter
FY-17 3rd Quarter Junior Sailor of the Quarter
